

RANGIORA NEW LIFE SCHOOL

POLICY AND PROCEDURES MANUAL

Providing quality Christian education that equips and inspires all students to reach their life potential in order to serve God's purposes.

Procedure	Health & Safety	Medical Disclaimer	
Established		Principal	
Last Review	23/7/07	Principal	

I / We have read the Rangiora New Life School procedures for administering medication and will comply with those procedures.

I / We understand that the Rangiora New Life School staff may administer medication as directed for my child and I/We accept that neither the school nor its staff shall be held responsible for any adverse effects caused by that medication.

I / We give permission for our child to be given Paracetamol (according to the directions for that medication) by the school for pain caused by headaches etc when it is requested by them.

Child's name _____

Signed _____ Date _____
(parent/guardian)
