If you have any queries please contact Gregg Weaver or Donna McCormick at Rangiora New Life School, Denchs Rd, Rangiora PH: 313-6332.

Accidents and emergencies

The education provider is responsible for all emergency procedures during school hours, and all emergency procedures outside school hours while the student is in homestay accommodation.

In the event of an accident or emergency appropriate action will be taken and you will be contacted as soon as possible by the school principal - Gregg Weaver, your student's agent, or your insurance company, on the emergency contact number you provided on your child's application for enrolment form.

If your child has an accident while you are outside of New Zealand, the education provider or the homestay parents may need to consent to urgent medical procedures on your behalf, including blood transfusions if necessary.

Communication

Parents are required to have regular communication with their children. Parents should provide their children with calling cards so they can call home whenever they feel they need to.

Parents are encouraged to interact with the education provider and invited to visit their child's school at least once during their child's period of enrolment.

Parents can be expected to be contacted by the education provider if there are any concerns regarding their child's well-being or progress.

Parents should contact the school principal - Gregg Weaver if they have any concerns or issues they want to discuss about their children.

Parents can expect to receive regular reports outlining their child's academic progress.
